Company Description / Competitive Strengths

Healthcare Finance Group (HFG) is a specialty lender dedicated to providing senior debt financing solutions to the healthcare industry. At HFG, we understand the challenges faced by today's healthcare executives and we will work with you to customize a solution.

Types of Financial Products & Services Offered

HFG provides senior secured debt financing solutions from \$5 million to \$100 million to all types of healthcare service companies and providers nationwide. HFG offers revolving lines of credit, term loans, and letters of credit that are tailored to meet the specific needs of our clients.

Partial Client List

Downey Regional Medical Center, EmpRes Healthcare, Inc., EnduraCare, Ascend Health Corporation, Personal-Touch Home Health Services, Comprehensive Pharmacy Services.

Sweet Spot Customer

We target middle market companies needing additional liquidity. The majority of our loans are three year accounts receivable backed revolving lines of credit facilities.
