Company Description / Competitive Strengths

Sonnenschein Nath & Rosenthal LLP has more than 800 attorneys and professionals in 13 offices in the U.S. and abroad. Our Health Care Transactional Practice includes lawyers from the firm's Health Care, Corporate, Capital Markets, Public Policy, Antitrust, Tax, Intellectual Property and Litigation Practices. We take an integrated approach to representing health care clients, combining our corporate and finance expertise with our health care policy and industry knowledge to provide seamless counsel.

Types of Financial Products & Services Offered

Sonnenschein advises health care industry organizations in all aspects of their finance needs (including debt and equity), merger and acquisition, and other transactional matters. We represent providers of debt and equity financing, as well as investment banks and other financial institutions in health care industry transactions.

Partial Client List

Sonnenschein represents clients across the health care industry, including providers, retail and pharmaceutical distributors, pharmaceutical and medical device manufacturers, health care information technology providers, and long-term and post-acute care providers, as well as lenders and investment funds specializing in health care.

Sweet Spot Customer

We routinely represent clients in all aspects of the health care industry.
