Company Description / Competitive Strengths

Strategic, visionary, leading edge - TCG is the go-to company for home care and hospice Consulting, Executive Search and Education. TCG's Consultants are experts in due diligence, operational redesign, mergers and acquisitions, attorney-client privilege, operations and finance. TCG's Executive Search recruits for senior executives with for profit, non profit and publicly traded companies. TCG has the most time-sensitive eLearning and agency tools for successful organizations to grow and expand.

Types of Financial Products & Services Offered

TCG's Financial Services include billing audits, feasibility analyses for growth, financial projections for service development, financial operations analysis and implementation, and interim management. TCG has the only proprietary eLearning system devoted to home care and hospice providers. TCG's CHEX eLearning has up-to-the-minute content, offers CEUs, is evidenced-based, and is developed by clinical and administrative experts.
