Company Description / Competitive Strengths

Uni-Ter Underwriting Management Corporation, a wholly owned subsidiary of U.S. RE Companies, Inc., the international financial services firm, is a full-service manager of Risk Retention Groups. We are an entrepreneurial company that builds and manages Risk Retention Groups. The company provides RRG boards and shareholders underwriting, investment management, reinsurance, legal, audit, actuarial, claims, risk management, marketing, regulatory and administrative services.

Types of Financial Products & Services Offered

For our Risk Retention Groups, we offer general and professional liability insurance to Long Term Care Facilities. Medical Malpractice insurance is available to medical practitioners, including physicians and surgeons and allied health care providers and nurse. Recently we have added Home Health Care, Surgical Centers, Imaging Centers, Medi Spas, other than hospitals we will consider new entities that fit our expertise.

Partial Client List

We value and protect our clients privacy but will furnish references upon request.

Sweet Spot Customer

Our insured's are entrepreneurial business owners/operators who want to control their own destiny for liability risk transfer to an RRG where availability, affordability, sustainability and predictability are paramount in managing their future plans.
