

UNDERSTANDING THE BIG PICTURE IN HEALTHCARE

Discover the Most Active Financing Sources Today with HCap Speed Meetings

We have 80 tables reserved for providers and private equity firms who would like to meet with the most active financing and deal sources in healthcare today, including lenders, private equity firms and investment banks. During these "Speed Meetings," each of these companies will hold ten 6-minute meetings in rapid succession. This is a terrific way to uncover some new financing/deal sources you may not be familiar with, and it is free! First come first served to the first 80 who sign up.
